# Winter 2011

### Honiton Swimming Pool

The swimming pool has a very busy programme of sessions, which vary throughout the year. The pool is kept at a comfortable 29°C/84°F and measures 25 metres x 10.5 metres. The depth ranges from a shallow 0.9 metres to 2 metres at the deep end.

There is a wide variety of sessions for beginners and splashers, serious swimmers and lifesavers. When there are classes or special sessions on during public swimming, a restricted area of the pool will be available.

### Additional Safety Information

Children under the age of 8yrs and all junior non-swimmers must be accompanied by a responsible adult (16yrs and above) to a maximum of 2 under 8's to 1 adult. During fun sessions, children must be able to swim over 25m, unaided, in order to be allowed on the giant pool inflatable.
