Sporty open days prove popular in East Devon

Hundreds of residents across East Devon made the most of their chance to sample a variety of free sports and fitness activities at Leisure East Devon's (LED) open days this weekend (5 and 6 September).

The action packed days were hosted by LED at its centres across the region including Exmouth Swimming and Leisure Centre and Exmouth Tennis and Leisure Centre to offer children and adults the opportunity to try out a range of fun taster sessions without paying a penny. Activities on offer included swimming, tennis, football, martial arts, squash, dance and aerobics classes, gym tours and much more. There was also plenty for the children to get stuck into with team sports, soft play and face painting as well as Funsplash sessions in LED's pools.

"We're delighted with the number of new faces we saw in our centres this weekend," said David Pagett, Chief Executive of LED. "The feedback we've had has certainly indicated that everyone enjoyed themselves and we hope that people of all ages who came along found a fitness activity or sport that they enjoy and would like to continue with."

LED is a charitable trust that operates leisure centres, parks and the Exmouth Pavilion. It employs more than 300 staff at 13 facilities.

Ends
