Once, twice, three times a lady at a Honiton leisure centre

Three local women are celebrating after bagging fitness prizes worth over £500. Having held a prize draw at Honiton Swimming and Leisure Centre's open day back in September, staff recently drew the three lucky winners from hundreds of entries received – and all three just happened to be female!

The top prize winner was Alison Rowland from Feniton, who won 12 month's Gold Membership which will mean she can enjoy free gym, swimming, exercise classes, sports activities and much more at all Leisure East Devon (LED) facilities. The other prize winners were Jackie Moss from Sidford who won a year's Active 317 inclusive membership for children aged 3–17, and Jenny Lidster from Farway, who will be working up a sweat with her week's gym guest pass, entitling her to unlimited gym sessions and member privileges on a host of other activities.

"We're looking forward to welcoming all the winners to LED and hope they enjoy getting fit and active with their prizes," said Simon Davey, manager of Honiton Swimming and Leisure Centre. "The benefits of our range of membership schemes, particularly the all inclusive ones, is that so many different activities are included from swimming to gym, exercise classes to dancing so there's never a danger of getting bored. We've recently reduced the prices of our Gold and Swim loyalty memberships and we're now pleased to be able to offer students and OAPs a 20% discount on top of the reduced prices. So as well as Alison, Jackie and Jenny we hope to see lots of other new faces at the centres – hopefully some men too!"
