

Art and the Park

THE walls of Phear Park Café have been transformed into an art gallery this summer, displaying artwork by pupils of The Beacon Primary School.

The recent sunny weather gave the Beacon Year Five class an opportunity to enjoy a picnic in the Park and inspired by their surroundings, an art session followed where they drew and photographed images of the Park's natural and recreational features.

Park Manager Mike Thorn commented: "After our recent refurbishment, we felt that the Café's walls looked a bit bare so we hit upon the idea of inviting a local school to produce some artwork which reflected the Park's attractions. We have been overwhelmed by the quality of the artwork produced by Miss Morley's class, and will be displaying their pictures in the Café for the remainder of the season".

Phear Park Café is open every day from 10am to 7pm during the summer season.
