

LED Home Hub Registration Guide

LED Home Hub allows you to track your course progress online.

If you are a parent with more than one child on a course, you can link the children together and view them all from a single login.

To register for LED Home Hub, you must already be enrolled on a course.

1. Go to www.ledhomehub.co.uk
2. You will see our lovely welcome page
3. To register... you guessed it, click the '**Register Now**' button!

Home Hub

Welcome

If you already have a LED Home Hub account, please login below:

On a course with us? Sign up to LED Home Hub now to follow your progress online!

Email Address or Card Number

Password

[Forgoeten your password?](#)

Register Now

4. Enter your **Membership Card Number** & click '**Continue**'
(you can find the card number underneath the barcode on the back of your membership card)
Note - If you are a parent registering on behalf of a player, you need to enter your child's card number, not your own!

The screenshot shows a registration progress bar with four steps: Step 1 (Locate your member record), Step 2 (Answer security questions), Step 3 (Link additional members), and Step 4 (Finalise your registration). Step 2 is the active step. Below the progress bar, there is a 'Card No.' input field with a question mark icon to its left. To the right of the input field is a grey box containing the text 'enter the participant's Card Number'. Below the input field is a blue 'Continue' button.

5. Enter the security questions, and click '**Continue**'

The screenshot shows the same registration progress bar as above. Below the progress bar, there are two input fields. The first is labeled 'Member's Date of Birth' with a question mark icon to its left. To its right is a grey box containing the text 'should be in DD/MM/YYYY format'. The second input field is labeled 'Member's Postcode' with a question mark icon to its left. To its right is a grey box containing the text 'enter the participant's postcode'. Below these fields is a blue 'Continue' button.

- If you want to view more than one persons progress (eg a parent with two or more children)
Click the **'Add another member'**
Otherwise just click **'That's everyone, proceed to finish'**

Step 1
Locate your member record

Step 2
Answer security questions

Step 3
Link additional members

Step 4
Finalise your registration

Anybody else..?

LED Home Hub allows you to group several members into one account.

This means that you only need to login once to see the whole family!

My members:

- Now enter your email address and a password (twice)
This will be your login details next time you visit the Home Hub
- Read the Terms & Conditions of use and put a **tick** in the box
- Click **'Confirm'**

Step 1
Locate your member record

Step 2
Answer security questions

Step 3
Link additional members

Step 4
Finalise your registration

Please enter login details for your account to finalise the process.

→ please enter your email address

→ please enter your password

→ please confirm your password

I have read and accept the [terms and conditions](#).

10. You'll now get an email to the address you've specified asking you to confirm your address – click the link within the email to complete your registration.
11. You can now log in to the Home Hub using your membership card ID number or your email address.
12. When you log in you'll see the overview with all your current classes, and will have the option to add additional members to your account, complete movements once the teacher has marked them ready, or check their progress.
