## Policy statement on the employment of ex-offenders and procedures for the effective use of criminal records disclosures as part of the recruitment and selection process

Policy Statement

**LED Leisure Management Ltd (LED Community Leisure) promotes equality of opportunity and welcomes applications for employment from all candidates.**

### Information for employees and potential employees

1. We recognise that employing ex-offenders can help to prevent re-offending and we will observe guidance issued, or supported, by the Disclosures and Barring Service (DBS).
2. We will co-operate with the DBS and enable them to undertake assurance checks and will report any suspected malpractice or suspected offences relating to the misuse of information.
3. Application forms will exclude questions about criminal offences.
4. Only candidates called for interview will be asked questions about their criminal records. The questions will include disclosure of spent convictions only when applying for a post which is *excepted* by the Rehabilitation of Offenders Act (as amended). Otherwise, you will be asked to declare unspent convictions only.
5. We will advise all applicants, in advance, if the post advertised is *excepted* from the Rehabilitation of Offenders Act (as amended) and will request a check (disclosure) of criminal records before an appointment is confirmed. The fee for the disclosure by the Disclosures and Barring Service (DBS), will be paid by LED.
6. Having a conviction will not necessarily bar you from employment with us as we will assess the relevance of any conviction to the particular post for which you apply. This assessment will include consideration of the nature of the work and the working environment.
7. Information on convictions will be kept strictly confidential and on a need-to-know basis.
8. Records showing details of convictions will be destroyed 6 months after they are used for decision-making purposes. The 6 month period is to allow time for any challenge.

### Notes

#### “Rehabilitation periods”

The Rehabilitation of Offenders Act (ROA) (as amended) refers to periods of “rehabilitation” after which a sentence is considered “spent”. Rehabilitation periods vary according to the original sentence and age. For example, for a person aged 18 or over sentenced to imprisonment for a period of between 6 months and 2½ years the period to become “rehabilitated” is 10 years. The period for a person aged 17 or under, sentenced to the same period of imprisonment, is 5 years.

Suspended sentences (treated as having taken effect) are treated the same as for a custodial sentence.

### **“Spent convictions”**

Once a conviction is “spent” the rehabilitated person normally does not have to reveal its existence in most circumstances and can answer “NO” to the question “Do you have a criminal record?”

### **“Exceptions”**

Whilst the “spent” provision normally applies, there are certain occupations which are excepted (see below) including working in positions of trust with children and other vulnerable groups; the intention of which is to ensure that they are protected from those in positions over them. No exceptions apply to “unspent” convictions and candidates for all appointments can be asked to disclose such convictions.

### **“Unspent convictions” (no exceptions)**

Unspent convictions are custodial sentences of more than 2½ years. They are also those sentences of less than 2½ years where the rehabilitation period has not yet expired.

### **“Disclosure”**

Is a means of checking criminal records which is carried out by the Disclosures and Barring Service (DBS), Liverpool. Any offer of appointment to an “excepted” post is subject to disclosure and satisfactory outcome of assessment.

**Examples of the exceptions include those listed below but, in any event, we undertaken to advise all applicants (see also Job Description) when an advertised post is “excepted” and subject to “disclosure”.**

### **Examples of excepted occupations include:**

Any employment or other work which is concerned with the provision of care service to vulnerable adults and which is of such a kind to enable the holder of that employment or the person engaged in that work to have access to vulnerable adults of such services in the course of his normal duties.

Employment concerned with the provision to persons under 18 of accommodation, care, leisure and recreational facilities, schooling, supervision or training.
