So, what are we doing to our facilities?.

We are not able to do a full refurbishment, but we are looking to spruce up the area, more in keeping with the newly refurbished changing area. This work is being carried out by South Somerset District Council.

Toilet Areas –

We will be installing new lighting and roof tiles, along with new cubicles and vanity units. The urinals will be taken out of the male toilets and replaced with 2 new toilet cubicles.

The colours of the cubicles and vanity units will look like below:

Showers –

We will be installing new lighting and roof tiles and fitting PVC sheeting on the benches and giving the area a deep clean.

We look forward to the improvements being made.
