

## **December 10th 2021 Face Masks Update**

*Following the latest government announcement, LED Community Leisure will continue to fully support all customers who choose to wear face coverings in our indoor public areas. Whilst we do understand at this stage this remains personal preference, we do urge all customers and team members to remain diligent to ensure the safety of all.*

*We have now asked all our team members to wear a face covering in indoor public areas where possible to ensure the safety of all.*

*LED Community Leisure will continue to monitor government advice and review our practices and procedures accordingly.*

*We would like to thank all our customers and team members for their continued support.*
